Sir:

This is to supplement the Response to the Office Action of January 13, 2006 in which the headers contained an incorrect application serial number and Office Action date.

This is a full and complete response to the Office Action having a mailing date of October 24, 2005. The three month shortened statutory period to respond to the Office Action was set to expire January 24, 2006, which makes this a timely filed response.

In view of the following remarks, the Applicants respectfully request that the Examiner reconsider and withdraw the outstanding rejections and allow this application.
